

Nainesh Marathe

Career Objective:

To become a proficient Computer engineer and work for a prestigious core computer company and afterwards contribute to the computer industry of India.

=====

Educational Qualification:

Year	Course	Institute	Percentage
2007	SSC	Smt.V.D.Desail(wadiwala) High school	93.08% (Stood 9 th in Surat city)
2009	HSC	Smt.V.D.Desail(wadiwala) High school	78.20%
2009-10	Engineering(computer) (F.E.)	Sinhgad Academy of Engineering (SAOE)	61.61%
2010-11	Engineering(computer) (S.E.)	Sinhgad Academy of Engineering (SAOE)	58.13%
2011-12	Engineering(computer) (T.E.)	Sinhgad Academy of Engineering (SAOE)	55.27%

Academic Projects:

1. B.E Project

Sponsored by: Self sponsored

Title: Augmented Reality application in android for library

Summary:Develop a campus-based augmented reality environment for library, which will detect and guide the user through the library using GPS .It will also display the number of copies of the books in the library present at that instant.

2. Mini project

Title: Music gallery management

Summary:It includes design the cascaded form using Visual basic 6.0 with simple functions such as add cd (to the inventory), remove cd, cd loaned, user registration, etc. This GUI will make management more efficient and easy.

3. Mini project

Title: Feedback system

Summary: An offline website which manages the feedback given by user is developed with use of HTML, PHP, SQL and Wamp server. User can store the feedback and there is one administrator who looks over the whole system and can delete the inappropriate feedback.

4. Seminar presentation

A) Title: Application development in Android

Summary: As a part of the curriculum, we had to select the topic from the given topic list. My topic included the basic things needed to develop an application in Android.

B) Title: Computer tricks for easy and smart computing

Summary: It was a very simple topic which included number of “how to” like how to make your PC faster, How to make your USB drive password protected, Use of ready boost for increasing memory, etc.

Seminars Attended:

1. Seminar on Android application Development organised by Computer society of India

Extra-Curricular activities/Co-Curricular activities/Social activities:

1. Participated(Runner-up) in Inter-Department Volleyball Championship held at Sinhgad Academy of Engineering
2. An active member of Computer Society of India(CSI)
3. Participated(Runner-up) in paper presentation competition held at Sinhgad Academy of Engineering

4. Currently in the process of publishing an IEEE paper.
 5. An active member of NGO and other small social service community in Surat, India
 6. Member of the sponsorship committee for the national level event Innofest-2012 held at Sinhgad Academy of Engineering
 7. Participated in inter college event like Quizmaster Blitz coding, Code Czar
-

Software Proficiency:

Languages	: C, C++, Java, PHP, HTML, XML, 8086 & 8051 Assembly Level language
Database Packages	: MS ACCESS, SQL
Operating System	: MS-DOS, Windows 98/XP/7, LINUX
Application Developing Tools	: Turbo C++, Visual basic 6.0, Android SDK, Eclipse, MATLAB, VHDL and Microsoft Visual C++

Personal details:

Date of Birth	: March 07, 1991
Place of Birth	: Surat, Gujarat, India
Permanent Address	: 101, Green View apt, B\h Silver plaza apt, Anand Mahel Road, Adajan, Surat-395009, India
Nationality	: Indian
Languages	: English, Gujarati, Marathi, Hindi
Hobbies	: Playing & watching cricket & football, Playing games on PC, Reading Magazines and novels, Playing Chess, Playing volleyball, listening to music
