Hi,

I am interested in the Assistantship position listed on the RIT Graduate Assistantship Portal. Currently I am working as a Software Consultant with International Atomic Energy Agency in Vienna, Austria. RIT has offered me an Admit for MS in Computer Science course for Fall 2013, and I hope to arrive there by August 2013.

I have enclosed my resume following this. I hope you will consider me for this position. I look forward to hear from you and discussing about my candidature in more detail. Do let me know if you need any other information.

Thanks & Regards,
Sumit Haswar
