"Innovate Improve Inspire"

EDUCATION AND TRAINING

Under graduation... **67.25%**

University of Mumbai, Thadomal Shahani Engineering College, Mumbai... *2007 – 2011*

Infosys Training – Java Technology... **CGPA 5.0 / 5.0**

Infosys Limited, Mysore, India.. *September 2011 – November 2011*

Infosys Limited, Pune, India.. *November 2011 – January 2012*

EMPLOYMENT HISTORY

Infosys Limited...September 2011 – January 2012

Systems Engineer Trainee

Infosys Limited..January 2012 – present

Systems Engineer in Application Development & Maintenance unit for Financial Services & Insurance, client American Express

---

SKILLS AND ABILITIES

Quick Learner	Eager to learn new things	Very hardworking	Able to quickly conceptualize ideas
Confident	Team Player		

EXPERIENCE AND OTHER WORK UNDERTAKEN

National Merchant Synchronization (NMS) for American Express

- *It is a development project connected to third party applications like Foursquare and Facebook*
- I have been a part of this project since its inception i.e. the requirements phase in May 2012
- The project is built on Java and DB2 using Spring MVC framework and using IBM Websphere server
- Being a quick learner I was given the responsibility of the largest module of the project during the build phase
- I took the initiative of creating the basic GUI design as I had considerable previous experience with HTML5,CSS3 & jQuery
- In Spring MVC framework, I have worked on Simple Form Controller, Multi Action Controller, Abstract Wizard Form Controller, Aspect Logger, Exception Handler and Servlets among others
- I was also involved in the deployment of the project EAR on test servers as well as the production server
- Both the client and my reporting manager appreciated me for my work on the project

Enterprise Location Based Services (ELBS) for American Express

- It uses Google Maps API
- I was part of the 3 member developer team that took up ownership of the project during its transition from IBM to Infosys
- Attended daily calls with the IBM team for 22 days that conceived the project
- Was appreciated by both the client and IBM team for successfully finishing the transition before time

theBuff.org

The Benevolent Under-Funded Foundation – *www.theBuff.org* ……………………………………………………………………………. **Nov 2011 - present**

- *A non-profit initiative started by me and a group of 4 more like minded mavericks*
- Uses CodeIgniter PHP framework for server side scripting, MySQL as the database and jQuery for client side scripting
- Site went live for beta testing in July 2012 and we are currently recruiting undergraduate interns for further expansion
- I have been the chief architect of the initiative and been involved in every aspect of its inception and expansion

MTNL

Capstone Project at Mahanagar Telephone Nigam Limited (MTNL), a Govt. owned Telecom Company

- *Inventory of MTNL employees and equipment owned by MTNL in its Mumbai sector*
- Project built on VB.NET and Oracle 9i
- Email and SMS features for CRUD operation notifications
- Crystal Reports was used for report generation

Travel Booking System for Riddhi Siddhi Tours and Travels, Mumbai

- Project built on VB.NET and MS Access
- Crystal Reports was used for report generation

PLATFORMS AND TECHNOLOGIES WORKED ON

Java, Java Spring MVC Framework, Oracle, VB.Net, PhP, CodeIgniter PhP framework, Flash, MATLAB, SQL, PL/SQL, Microprocessor based assembly programming language (8085/8086), Oracle 9i, Oracle 10g, MySQL, Windows

---

UNEXPLORED INTERESTS

Android, NoSQL databases

ACADEMIC PROJECTS

- Online Electronics Store – HTML, ASP, JavaScript, CSS
- Hospital Record Management – Oracle 9i as DB, Java for GUI
- Vision Controller Robot
- Line Follower Robot
- Presentation on feasibility of SSN cards in the second largest populated country, India

---

VOLUNTEER WORK AND POSTS HELD

- Public Relations Representation of IEEE – Industrial Electronics Society Student Chapter in junior year
- Chairperson of IEEE – Industrial Electronics Society Student Chapter in senior year
- Successfully coordinated workshops, sponsorship and printing at the IEEE college national level festival in senior year
- Chief Coordinator for security at the college cultural festival in senior year
